Van Wert County Reports 14 Additional COVID-19 Deaths 12-3-2020

On December 3, 2020, the Van Wert County General Health District reports 14 additional deaths of residents of Van Wert County who tested positive for COVID-19, bringing the total number of deaths for county residents to 32. The Van Wert County General Health District would like to express our deepest sympathies for the family and friends of the deceased.

The age ranges for the deceased are the following:

60-69 years- 1
70-79 years- 3
80-89 years- 7
90-99 years- 3

There are active outbreaks of COVID-19 at Vancrest of Van Wert and Van Wert Manor. For the number of cases at each facility, please go to the www.coronavirus.ohio.org website and visit the Long-Term Care Facilities data under the dashboard.

There is an increase of 167 confirmed cases of COVID-19 since Wednesday, November 25, 2020 for a total of 1136 confirmed cases.

Please continue to be patient with our office and our staff. We are experiencing some unexpected building maintenance issues and much of our staff has been working remotely this week. If you contact our office, please leave a voicemail and a staff member will return your call as soon as possible. If you are waiting for test results or have tested positive, please stay home and wait for our staff to contact you. For daily updates, visit the www.coronavirus.ohio.gov site and click on the dashboard. The dashboard shows TOTAL cases when Van Wert County is selected, and you must select CONFIRMED to see the difference in confirmed versus probable cases.
